Why Choose Sciuga Custom Builders?

Sciuga Custom Builders is a multigenerational building business established in 1966 and is amongst the top 10 rated builders in CNY. We use the standard 2x6 construction, high performance Low E glass windows, R21 exterior walls, R41 ceiling, and insulation package. Sciuga Custom Builders is committed to using the latest technology, and by using nationally recognized names for the components of your home. We are also committed to building communities, not just homes.
